

Life Magazine Articles Online

Google & Life are at it again – this time with full issues of Life Magazine online. It appears that only select years are online right now. **Check out this Edwards AFB / X-2 article** from June 18, 1956.

Welcome to the New Sightings Format!

Hi everyone! I’ve decided to move the X-2 (and etc.) Sightings page to a blog format. It’ll help me manage things a bit better, plus allow you to add your comments.

The old Sightings content will remain online **where it is now**.

As I get used to this new format, I’ll jazz things up a bit. Thanks for stopping by.
